

A Naked Woman Is A Special Thing

Sometimes people ask me why I don't write lyrics to accompany my piano music. All I need to do is show them this piece and they immediately stop bothering me about it. I have been looking for a "worst song lyrics" contest to enter this into...I think it might have a chance! What do you think of the chances for Bill Murray scoring a big hit with this? Wouldn't it suit his perfectly campy lounge-lizard alter-ego?

The musical score is written for piano in 4/4 time with a tempo of 107. It features a vocal line and a piano accompaniment. The key signature has one flat (B-flat). The score is divided into three systems, each with a different set of chords indicated above the staff.

System 1: Chords are F Maj7 and A min. The lyrics are: "A nak-ed wo - man is a spe - cial thing You'll".

System 2: Chords are D min, A min, and G min. The lyrics are: "see her ev - en though she is - n't there - with you. Her".

System 3: Chords are C7, F, F+, and FMaj7. The lyrics are: "eyes are burn - ing low, she whis - pers words you know."
